Special Legislation. KRS Chapter 109. Consolidated Local Governments. The issue is whether an amendment to KRS Chapter 109, which applies only to consolidated local governments, constituted impermissible "special legislation" which was violative of the Kentucky Constitution. The amendment would allow any city in Jefferson County to control its own method of solid waste management.

JEFFERSON

OPINION OF THE COURT BY JUSTICE KELLER - REVERSING

ALL SITTING. ALL CONCUR.

Questions Presented:

Real Estate Transactions. Arbitration. Disclosure Statement. Merger Doctrine. The issue in this case is whether the Court of Appeals erred in interpreting KRS 324.360, requiring completion by the seller of a disclosure statement, as superseding the application of the merger doctrine established in the case of *Borden v Litchford*, 619 S.W.2d 715 (Ky. App. 1981). Another issue is whether there was sufficient evidence to determine under KRS 417.160(1)(c)(d) that the arbitrator had exceeded his authority and had refused to hear evidence from an expert witness retained by the purchaser which was arguably material to the matter in controversy.

Questions Presented:

Motor Vehicle Reparations Act. Uninsured Motorist Coverage. Horsedrawn Buggy. The issue is whether a horse-drawn buggy was a “trailer of any type” under policy language and whether the policy provided uninsured motorist coverage for a collision between the insured’s vehicle and a horsedrawn buggy.

COURT OF
APPEALS

**OPINION OF THE COURT BY
JUSTICE LAMBERT - AFFIRMING**

ALL SITTING. ALL CONCUR.

Questions Presented:

Workers' Compensation. Temporary Total Disability Benefits. Statute of Limitations. Opinion of the Court affirming decision of Court of Appeals rejecting injured worker's claim for temporary total disability (TTD) benefits based on a failure to "return to employment" when the injured worker returned to part-time, limited duty, rather than his full-time work duties and schedule; and, holding the statute of limitations to file workers' compensation claim, under the facts presented, should be not be equitably tolled.

AND REMANDING**

ALL SITTING. ALL CONCUR.

Questions Presented:

KRS 403.340(3). Modification of Visitation. Best Interests of the Children. Risk of Harm. The "Law of this Case" Doctrine. The issue here is whether the trial court erred in failing to make a specific written finding that it was in the best interests of the Movant's children to allow the Respondent, their father, to have unsupervised overnight visits, where the court had also made a finding that the children would not be at risk if they did so. An additional issue is whether the trial court's decision to allow unsupervised overnight visits was contrary to the "law of this case."
